3 Oyster cards

Put in the missing the words. There are three extra words.

wheelchair

credit

persuade

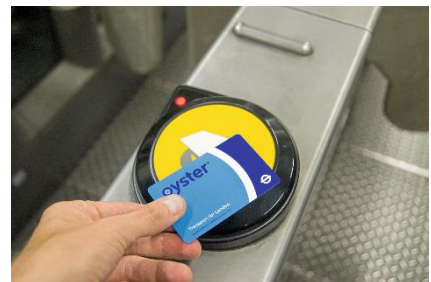

up

top

travel

smartcard

public transport

If you want to travel around London for a few days, get an Oyster card. You can use an Oyster card on all public transport in London and it is cheaper than normal tickets. Buy Oyster cards from Underground stations or from special shops and top them up when you need to. Two or three people can use the same smartcard if you are travelling together.
