Paper Towns – Getting into the novel

TASKS We're going to read the prologue together up to p. 3 "Margo and I were two".

1. Do you have any questions about the this part of the book or about the book in general? Something that you need to clear up before we can continue to discuss the book?
2. What is a subdivision? What is Orlando, Florida like?
3. What is a prologue? What's the opposite? How is it different from a foreword? And what's an afterword?
