L: Hello, my name is Lena. What's your name?

I: I'm Isabelle.

L: So, we've got a few questions about your exchange. My first question is how long did you need to get to school?

I: It was different. One time, we went with the bus, we needed 10 min but when we went with the car then about 5 min

L: How long took one lesson?

I: I think the same as in Germany. About one and a half hour. I think so, but I'm not sure.

L: Did you do any sport activities?

I: No, because I was injured. So I couldn't do any sport.

L: Did you miss something about Germany?

I: I think my normal day routine I had in Germany and my friends and family.

L: Was it hard to understand the lessons?

I: In the beginning a little bit but from day to day I understood more.

L: When you came back, did you miss something about America?

I: Yes, the new friends I made there.

L: Did you think it was a good experience for you?

I: Yes, it was a good experience because it was cool to see how it is in the lessons. They told us a lot of things about America. It was just cool to see and feel the American life.

L: Okay, that's it. Thank you a lot for the interview.

I: You're welcome. Good bye !
