

Interview with Matthias

Names of interviewers: Angelina Lion Agnetha

Transcript (written version of the audio track)

Angelina: Hello my Name is Angelina

Agnetha: hello my name is Agnetha

Lion: hey and my name is Lion

Angelina : We have the first question for you, do you want to visit the US again and why?

Matthias: yes I want to visit the US again because it was a very exciting adventure.

Angelina: Where have you been there?

Matthias: we were in NewYork and in Oregon

Angelina: how many Burgers did you eat?

Matthias: I think five or six

Angelina: Had you been at the beach?

Matthias: yeah for one time but it was not like a beach in Spain it was very ruff

Angelina: how long had you been there?

Matthias: for about three weeks

Angelina: What would you comment if I want to travel in the US and why?

Matthias: what would I recement?

Angelina: yes

Matthias: try the food it's very different but it's cool

Angelina: Do you like American football and why?

Matthias: yeah I like American Football, I played it there, it's very hard and it's funny to watch these people fighting

Angelina: How does the exchange work and did you think it was a good experience for you?

Matthias: yes it was a very good experience; I didn't like my exchange partner but it was very cool in NewYork and I would do it again

Interviewers: thank you for the interview
